

# Cabinet of Ministers of the Azerbaijan Republic

## Decree No 91

### On rates of custom duties on export-import operations in the Azerbaijan Republic

Baku, 22 April, 1998

According to Customs Code of the Azerbaijan Republic and Law of the Azerbaijan Republic «On customs tariff» and in order to increase the efficiency of foreign-economic relations, to create necessary terms for development of business activity, manufacturing of competitive production in the country and protection of inner market by further improvement of mechanism of custom tariffs, Cabinet of Ministers of the Azerbaijan Republic issues a decree:

~~1. To approve «Rates of customs duties, collected for customs clearance» submitted by State customs committee and agreed with involved organizations.~~

2. To keep the commodity classification of foreign-economic activity of the Azerbaijan Republic according to classification system, accepted in international practice.

~~3. To state that exported commodities irrespective of their kind are not subject to payment of export duty.~~

4. To state that according to article 33 of the Azerbaijan Republic «On customs tariff» the following commodities are not subject to import duty:

~~4.1 the property imported as a contribution of foreign investor to the partnership fund of joint venture or for establishment of venture, 100 % shares of which belong to foreign investor.~~

~~4.2 property (having submitted to customs authorities statement on cost and amount of investments to the Republic, and also about job executor) imported to the Azerbaijan Republic by foreign employees of enterprises with foreign investments solely for their own needs;~~

4.3 commodities, imported at the expense of gratuitous financial and technical assistance, grants, credits and loans and also share of Azerbaijan in projects fulfilled at the expense of these credits and loans, provided by international organizations, governments of foreign states, and also on the basis of interstate and intergovernmental agreements – foreign legal entities and physical persons;

4.4 commodities, imported by physical persons as humanitarian aid intended for free distribution.

4.5. special technical devices, equipment, appliances, tools, component parts, spare parts, accessories and materials, exported on the basis of confirming document of the State Commission for Extraordinary Situations of Azerbaijan Republic to establish the logistics system, seismic observation points and rescue units and for their activity with the purpose of prevention and elimination of consequences of extraordinary situations.

4.6. operations on contribution of fixed capital stock, personal property and other assets to the State Petroleum Fund, transfer of which to the Azerbaijan Republic, including to its legal entities is stipulated on the basis of exploration, development and production sharing agreements of oil and gas resources, export pipe lines and other similar agreements.

4.7. passports and forms of identity cards of the citizens of Azerbaijan Republic, equipment, goods, accessories and materials, exported for their individualization, establishment and application of automated information-retrieval system "Entry-Exit", identification of finger-prints.

~~5. To state that with respect to commodities specified in the Supplement «On rates of import customs duties for commodities imported to the territory of the Azerbaijan Republic» of this Decree, irrespective of the country of~~

~~origin, import customs duties shall apply in accordance with codes of commodity nomenclature of foreign trade activity; as for commodities not specified in this Supplement import customs duties shall apply in amount of 15 % of their customs value.~~

6. To state that in case of customs clearance of commodities, imported within the limits of states, governments and international organizations, legal and physical persons as humanitarian aid intended for free distribution, the humanitarian organizations importing these commodities should submit the document on duly registration at the territory of the Azerbaijan Republic to customs bodies, and other legal and physical persons – permit of Republican commission on international humanitarian aid.

~~7. In cases when agreements of the Azerbaijan Republic on free trade and co-operation with foreign countries envisage mutual release from import customs duties, imported goods shall not be subject to payment of import customs duty.~~

~~8. To state that for free distribution of the commodities, specified in sub-clauses 4.1; 4.2; 4.3 and 4.4 of the present Decree, specified commodities should be re-declared and customs import duties should be paid as per them. Otherwise, the measures, envisaged by the legislation shall be taken as per persons, selling these commodities.~~

~~Implementation of this clause will be controlled by State Customs Committee, Ministry of Trade and State Tax Inspectorate, as for organisations financed from the state budget – by Ministry of Finances.~~

~~9. State customs committee and authorized banks should provide full and timely transfer of custom duties on import operations to the state budget.~~

~~10. Following this Decree State customs committee shall prepare relevant instructions, after agreement with the Ministry of finances, approve them and take necessary measures.~~

11. To regard decrees of the Cabinet of Ministers of the Azerbaijan Republic № 62, dated 16 June, 1997 (except clause 9) and № 79, dated 15 July, 1997, 5-st and 6-th paragraphs of clause 1 of Decree «On introduction of changes and amendments to some decrees of the Cabinet of Ministers of the Azerbaijan Republic» No 167 dated 5 August, 1998 and part 1 of clause 1 of Decree «On introduction of changes and amendments to some decrees of the Cabinet of Ministers of the Azerbaijan Republic» No 91 dated 22 April, 1998 null and void.

12. This decree comes into force from the moment of its signing.

Prime-minister of the Azerbaijan Republic

A.RASI-ZADE.

With amendments dated 5 August, 1998, № 167; 30 October, 1998, № 218; 27 February, 1999, № 25; 25 May, 2000, № 94; 6 July, 2000, № 112; 15 August, 2000, № 138; 7 September, 2000, № 164; 25 September, 2000, № 173; 26 September, 2000, № 174; 7 March, 2001, № 62; 12 April, 2001, № 80; 6 October, 2000, № 195; 13 August, 2001, № 138; 15 April, 2002, № 65; 27 April, 2002, № 71 («AzerSoft»).

Approved  
by Decree of the Cabinet of Ministers  
of the Azerbaijan Republic  
No 91, 22 April 1998

### Rates of customs duties, collected for customs clearance

1. For customs clearance of the commodities (including means of conveyance, transported over the customs border of the Azerbaijan Republic) including commodities and cargoes, and also means of conveyance not

intended for commercial purposes, transported in non-convoyed baggage and international postal sending is collected customs duty in the amount of 0,15 % of its customs cost (not less than 10 US dollars) in manats at rate of National Bank of the Azerbaijan Republic, and for export of profitable hydrocarbons related to the share of the Azerbaijan Republic on the basis of production sharing agreements between the State Oil Company of the Azerbaijan Republic and foreign oil companies by means of oil pipeline at rate 275 US dollars for each cargo customs declaration irrespective the cost of exported product.

2. Customs duties are not taken for customs clearance of the commodities and means of conveyance, transported over the customs border of the Azerbaijan Republic as financial support, humanitarian and technical aid, received as grant on the basis of agreement (decree) about grant and also for official use of diplomatic representations, located in the Azerbaijan Republic and private use of personnel of these representations, for mutual transfer of electric power.

3 For each additional sheet of customs cargo declaration irrespective of the type of deal payment shall be taken in the amount of 5 US dollars in manats at rate of National Bank Azerbaijan Republic.

4. For customs clearance of the commodities, transported over the customs border of the Azerbaijan Republic liable to custom regime of transit are collected customs duties in the amount of 30 US dollars, for each additional Transit cargo declaration – 10 US dollars in manats at rate of National Bank of the Azerbaijan Republic.

5. For issue of the document on registration of transport means exported (including imported temporarily) to customs territory of the Azerbaijan Republic by physical persons is taken customs payment in the following amount:

- for freight and automobile transport, minibuses and buses – 20 US dollars;
- for other transport means – 15 US dollars. The payment is made in manats at rate of National Bank of the Azerbaijan Republic.

6. For registration of the commodities and transport means over working time of customs bodies of the Azerbaijan Republic and outside specified place are collected double customs duties.

4001-4008	Rubber	0

4012	Tyres pneumatic, rubber, restored or second-hand	10 EURO/pc
401199100	Tyres for mechanisms used in agriculture and forestry (tractors, harvesters, mowing, sowing machines)	0
401693900	Rubber magnetic strips	0
Group 44		
44	Wood and articles made of wood	10 %
4406	Sleepers for railroad	5 %
Group 45		
45	Stoppers	0
Group 47		
470100-4706	Paper-making stock of wood or other fibrous cellulose materials, pasteboard mass	0
Group 48		
4801	Newsprint	5 %
4804-4805	Pasteboard	5 %
4821	Paper stamps	5 %
Group 49		
4901-4905	Printed books, newspapers, magazines, books-pictures for children, books-note-books for drawing or painting, music, maps and atlases, globes	0
490700300- 490700990	Securities	0
Group 51		
510121000	Wool non-carbonised, scoured, sheared	5 %
Group 52		
520544000	Cotton yarn with linear density of single thread less than 19,231 tex, however at least 12,5 tex	5 %
520546000	Cotton yarn with linear density of single thread less than 12,5 tex, however at least 10,638 tex	5 %

520547000	Cotton yarn with linear density of single thread less than 10,638 tex, however at least 8,33 tex	5 %
Group 54		
540231	Threads complex synthetic - made of nylon or other polyamides	0
540233	Threads complex synthetic - made of polyester	0
540239	Threads made of Nitron (Soviet made brand of polyacryl nitrile), staple	0
5403	Complex synthetic threads, strong, twisted or non-twisted	0
Group 59		
5902	Cord fabric made of strong polyamide, polyester threads	5 %
Group 68		
681410000	Mica plates	5 %
Group 69		
6902-6903	Fire bricks	5 %
Group 70		
700100	Glass scrap	0
701911000- 701919900	Plastic fiberglass	5 %
7002	Glass balls	0
701010000	Ampoules	0
7010	Bottles, jars and other glass containers	0
701110	Only glass balls of the round and tube shape to be imported for production of electric lamps	0
701990300	Plastic fiberglass, insulating	5 %
Group 71		
710210100	Natural diamonds	0
711510000	Catalysts in the form of wire netting or platinum grid	0

711021000	Palladium	0
Group 72		
72	Ferrous metals	5 %
7201	Cast iron	0
720927100	Rolled «electrotechnical» stock	0
Group 73		
73	Articles made of ferrous metals	5 %
7302	Articles made of ferrous metals, rails for railway, tram track	0
730810000	Bridges and bridge sections made of ferrous metals	0
730840900	Metal posts, fixtures made of ferrous metals used in construction	10 %
730890100	Navigation lock, lock gate, docks and other sea and navigation structures made of ferrous metals	0
730900-7315	Tanks, cisterns, metal jars, metal wire, cables, rope without insulation, metal gauze, metal nets, chains made of ferrous metals	10 %
7322	Central heating radiators made of ferrous metals	5 %
7323	Articles made of ferrous metals for domestic needs	15 %
7324	Hygiene equipment made of ferrous metals	15 %
732410100; 732490100	Hygiene equipment made of ferrous metals for civil aviation	10 %
Group 74		
7401-7407	Copper	0
7412	Copper pipes	0
740811000	Copper wire, with maximum cross-section over 6 mm	5 %
741300	Cable goods	5 %
Group 75		
75	Nickel	0

Group 76		
7601-7608; 760900000	Aluminium and aluminium plates, wire	5 %
Group 78		
78	Lead	5 %
Group 79		
79	Zinc	0
Group 80		
80	Tin	0
Group 81		
81	Other non-precious metals (tungsten, molybdenum, tantalum, cadmium, titanium, zirconium, chromium, germanium) and articles made of them	0
Group 83		
8309	Stoppers, caps made of non-precious metals	0
Group 84		
8401-8409	Nuclear reactors, boilers of central heating and auxiliary equipment to be used with boilers, gas generators, turbines, internal combustion engines, their parts	0
840991000; 840999000	Engine components	0
8410-8412	Hydro-turbines and gas turbines, turbojet and hydrojet engines, turboprop and hydraulic motors	0
8413	Pumps for liquids	5 %
841340000	Concrete pumps	5 %
841330100; 841350100- 841370990	Hydraulic and other pumps for civil aviation, centrifugal single-stage and multi-stage pumps	0 0
841430	Compressors	0

841480100- 80710	Turbo-compressors and rotor, positive-displacement compressors	5 %
841590100  8417  841810990	Components of air-conditioning units, nomenclature positions 841581, 841582 or 841583  Furnaces and chambers, industrial or laboratory, non-electrical  Only evaporators of domestic refrigerators	5 %  0  5 %
841911000- 841960000	Non-inertia water heaters or thermal water accumulators	5 %
841989100- 841990950	Refrigerating plants and heating units	0
8420	Calenders and other rolling machines	0
842220000- 842240000	Equipment for washing bottles and other utensils	5 %
842481- 842490000	Mechanical devices for sprinkling or spraying liquid and powdered material; fire extinguishers	0
8425	Hoisters	5 %
842511- 842539910	Hoists and hoisters	0
8426	Derrick-cranes for vessels, other cranes	0
8427	Truck loaders and other trucks equipped with loading-unloading equipment	5 %
8428	Machines and devices for lifting and transportation (e.g. lifts, escalators, conveyors, rope (tram) ways)	0
8429	Bulldozers, motor (self-propelled) graders, scrapers, tamping machines (compactors)	0
8430	Machines and mechanisms for planning, compacting, drilling through soil (rock), extraction of natural resources or ores, snow removers	0

8431	Parts for equipment included in nomenclature positions 8425-8430	0
8432-8436	Agricultural machines, for work in gardens or forests, to prepare and treat the soil, machines and mechanisms for harvesting or thrashing agricultural products, pick-up presses (balers), balers for straw and hay, machines and mechanisms for sorting eggs and other agricultural products, equipment for poultry raising, honeycraft, processing of milk	0
8437	Machines for cleaning seed and grains, equipment for flour-and-cereals industry	0
8438	Equipment for food industry	0
8439-8444	Equipment for production of cellulose fibrous materials, paper mass or paper, paste board, production of articles of paper, paste board, polygraph equipment	0
8445-8449	Equipment for textile and spinneries	0
8453-8466	Equipment for tanning, metal processing machines	0
8471	Computers	5 %
847330100	Electronic units	5 %
8474-8475	Equipment for operations with mineral resources	0
8477-8480	Equipment of production of rubber or plastics, tobacco; special machines, mechanisms; moulds for metals, casting patterns	0
848250000	Only sets of ball-roller bearings, produced for locomotives, trucks, trams	0
8483	Transmission shafts, gear-wheels, reduction mechanisms, couplings and other parts	0
8484-8485	Metal gaskets and seals, screw propellers and their parts	0
Group 85		
850120	Universal engines (d.c. and a.c. operated) with capacity from 753 Wt to 150 kWt	0
850131100	D.c. generators for civil aviation	0
850132100	Engines and generators for civil aviation (capacity from 750 Wt to 75 kWt)	0
850133-850134; 850151100; 850152100	Electric motors (for civil aviation)	0

850153	Electric motors with capacity over 75 kWt	0
850211100	Electric generator units for civil aviation with capacity up to 75 kWt	0
850220100	Electric generators with internal combustion engines for civil aviation	0
850239	Turbo-generators, other electric generators for civil aviation	0
850240	Rotating electric converters	0
850300	Parts for nomenclature positions 8501 or 8502	0
8504-8505	Transformers, electric converters, electric magnets	0
8506	Primary elements	5 %
8514	Furnaces and chambers, industrial or laboratory, electric	0
851410100- 851410900	Baking ovens	10 %
851730000; 851750100	Commutators (switches) for telephone and telegraph networks, apparatus for cable communication systems using carrier frequency or digital, parts for nomenclature position 851750100	5 %
851790; 852290910	Electronic units, their parts and accessories	5 %
852510	Transmitting devices for radio-telephone, radio-telegraph communications, radio-broadcasting and TV	0
852520100	Telegraph or telephone radio-devices for civil aviation	0
852530	TV cameras	5 %
8526	Radio-locator, radio-navigation and remote control devices	0
852990700	Electric units (for nomenclature positions 8525-8528)	3 %
8530	Electric signalling equipment	3 %
8531	Appliances, equipment and materials stipulated only for airports safety, being a parts of electronic protection system along the perimeter of airport territory	0
8532	Capacitors	3 %
8533; 8535-8536	Resistors, fuses for electric networks	3 %

8537	Switchboards, control panels for electric equipment	3 %
8538	Spare parts (for nomenclature positions 8535, 8536 or 8537)	3 %
853990100	Lamp caps	0
8540-8543	Electric lamps and tubes, transistors, integral schemes and microschemes, microprocessors, memory blocks, machines and other electric appliances	3 %
854212000	Cards with electronic integral schemes (cards «intellectual»)	15 %
Group 86		
86	Locomotives	0
