Published in the Royal Gazette, Special Edition, Vol. 110, Part 207, dated 9 th December 1993

Remark :- The reason for the promulgation of this Royal Decree is that, whereas it is expedient to specify the electrical energy generated from combined sources of generation which have a total installed capacity up to 200 KVA and over to be the regulated energy, and whereas Section 24 of the Energy Development and Promotion Act B.E. 2535 (1992) stipulates that the designation of what type, size, production method or use of energy to be regulated energy shall be enacted by the issue of the Royal Decree, the enactment of this Royal Decree is necessary.
